

## OUTFITTING

**Mission, Values, & Vision:** a guide for analysis and discernment of your church's strengths and calling

**Disciple-Making and Missional DNA of the Church:** cultivating a congregational culture of multiplying members and leaders

**Developing a Missions Program:** creating the infrastructures for pursuing God's mission. Includes specific topics like: cultivating structures of mission support in your church; clear working agreements/ contracts/policies and sending workers to the field; plans for visiting workers; communication and accountability, etc.

## HEALING

**Missionary Care Workshop:** develop an understanding of how to support Kingdom workers through care and prayer

**How Churches can Support Missionaries Well after Loss and Trauma**

**Repairing after Conflict between Church and Missionary**

**Addressing Sticking Points within the Church or Committee that Inhibits the Mission of God**

**Becoming Better Global Partners**

## RESTORING

**Appropriate Ways to Evaluate Missionaries and Mission Work**

**Working through Shifts and Redirections in the Mission Focus:**

*Transitioning from Sponsoring Local Preachers to Supporting Missional Catalysts*

*How to Disentangle from Works that Need to Stop*

*How to Bring Missionaries Home Well*

**Restructuring a Missions Committee to Serve More Effectively**

**Holistic Missions:** moving beyond the spiritual impact vs social impact divide

## TRAINING

**Improving Short-Term Missions**

**How to Partner Well with Other Churches to Send Workers to the Field**

**How Churches Can Work with a Whole Team**

**How to Do a Few Things Well**

**How to Talk about Compensation with Missionaries**

**Evangelism and Disciple-Making**

**Engage:** becoming a church that is ready to connect locally and globally
